

Engineering and Technical Elective Course Substitution Form (Undergraduate)

Department of Materials Science & Engineering, University of Pennsylvania

Instructions: This form should be used to request 1) the substitution of a core MSE class with another class or 2) the ability to count a course towards a Technical Elective, as part of the BSE course-planning guide. All other course substitutions (Natural Science, Mathematics, SSH, etc.) must be requested via Petition for Action through the RAS office. You must discuss your plans with your academic advisor, and any core MSE course substitution must be examined by the course instructor. This form should be submitted to the Undergraduate Coordinator, Vicky Lee in the MSE Department Office (**LRSM 201**).

Date: _____ E-mail: _____

Name: _____ SID: _____

CORE MSE COURSE TO BE REPLACED (*Please choose one from the dropdown*):

PROPOSED REPLACEMENT (*number and name*): _____

TECHNICAL ELECTIVE CONSIDERATION (*Please check one*):

Request for EAS 545 or EAS 546 to be considered as a Technical Elective.

Request for a “NON” engineering course in the non-engineering **concentration** to be considered as a Technical Elective. Note: M&T joint degree or dual degree with Wharton (or with College) may use up to two (200 level and up) courses for consideration

PROPOSED COURSE (*number and name*): _____

Please attach course syllabus and provide a brief and concise justification for your request (*you may attach additional pages if more space is needed*):

Signed (Student): _____

Engineering course instructor: I have discussed this request to substitute my course and have no objection.

Signed: _____ Date: _____

Faculty advisor: I have discussed this request and have no objection.

Signed: _____ Date: _____

Department Undergraduate Curriculum Chair: I have reviewed this request and have no objection.

Signed: _____ Date: _____
